# Our Story

More than 40 years ago, Tim began his first job here as a "maintenance boy." This meant he did whatever was asked of him in exchange for the ability to play tennis at Victory Tennis Center. It was around this time that Tim and Karen met on the tennis court, and Tim fell in love with Karen at first sight. Just over five years later, Tim and Karen got married, and in tribute to their shared love of tennis, they dreamed of creating a great indoor Pickleball club at Victory. When Tim heard that Victory was on the market, they knew it was meant to be. We hope you enjoy everything Victory and The Kitchen Tap Wall & Grill has to offer. Victory holds a special place in our hearts, and we want it to be special for you too.
